SCOOP

FALL | 2014

Welcome, Pi Phis!

We hope that you will join us for a few fun-filled events this year. Our 2014–2015 theme is based on:

Halo Productions Presents

“The Gift of Giving,” and

we are “wrapping” both halos and giving into many of our activities.

As the year ramps up, we would like all of our sisters to consider joining our club. We want everyone to show their Pi Phi spirit by wearing halos* throughout Portland as we support First Book and giving to others, as well as by giving gifts of friendship, joy and sisterhood. Start a new scene with us, polish off that arrow and get involved in giving back.

Gloria Gaiter said, “Memories are perhaps the best gifts of all” ... and don’t we all like giving gifts?

Pi Phi love,

Cherie and Susan, Co-presidents

*A halo can be purchased from the club for \$5, or pay your dues by October 15 and get one free! We also have T-shirts for sale for \$10. See our website.

MIDDLE: In March, seniors from Oregon Gamma met with us at Cherie's home to talk about Pi Phi life after college. Cherie's dinner was delicious!

BOTTOM: Oregon Gamma AAC Chairman Carolyn Much is surrounded by collegians from Oregon Alpha and Oregon Gamma at our Founders' Day luncheon. Amara Fanucci (3rd from left - Oregon Gamma) is serving as a Resident Leadership Development Consultant this year at University of Chicago.

Our club supports Portland Alumnae Panhellenic (P.A.P.) by paying dues, providing a Delegate and Alternate Delegate who attend monthly meetings, AND donating to their annual fundraiser. On November 10 they are having a speaker from **Raphael House**, a shelter for abused women and children. Our club donated over 800 books to Raphael House a few years ago.

Pi Phis are Readers! **PI PHIS ARE LEADERS!**

Pi Phis around the world embrace literacy and servant leadership. Our club members are no exception.

In addition to our club officers who were mentioned earlier, the Lake Oswego-Dunthorpe Alumnae Club is proud to have several other Pi Phi servant leaders among its ranks. These **international officers** were either club members last year or have recently joined: our region's Pi Beta Phi Foundation Ambassador Dr. Ruth Walsh McIntyre, Alumnae Region Five (AR5) Director Chanel LaChappa Sherry and AR5 Programming Specialist Alison Burcham.

Our members serving on **Alumnae Advisory Committee** or **Chapter House Corporation** are: Jessica Manning Hooper (WA Beta AAC); Carolyn Much and Alice Stoltz (OR Gamma AAC); Janet Uhlenhake Clay, Kelsey Lewis Jensen, Margaret Brennan Stevenson, Merry Humphrey Melonas, Nancy Piazza Cobb, Pam Stout Borgman and Sharon Loomis Greig (OR Alpha CHC). We thank them all for the countless hours they give to support our Pi Phi colleagues.

ALISON BURCHAM - Alumnae Region Five Programming Specialist

Alison Burcham (Oregon Beta) is a young alumna who has been a true servant leader to our club since she arrived in Oregon a few years ago. In 2012–2013, she was AR5's regional nominee for Pi Beta Phi's **Young Alumna Achievement Award**. Here are some of her accomplishments and how she has "given back."

Pi Beta Phi (just while she has been in Oregon!):

- Currently AR5's Programming Specialist
- AAC for both Wyoming Alpha and Oregon Alpha
- Club President (or Co-president): 2009–2012
- Event Chairman for several "signature" events

She also finds the time to CURRENTLY volunteer for:

- Big Brothers Big Sisters (since 2010)
- Sherwood High School Colorguard (since 2010)
- Junior League of Portland (since 2011 ... Committee Chairman for two years).

Previously she worked as a Brownie Girl Scout Leader (2009–2011) and Mentor-Net Mentor (2012–2013), and volunteered at Abby's Closet (2011, 2012, 2013).

There wasn't space to list all of the club level offices she held in the other Pi Phi alumnae clubs to which she belonged prior to her move to Oregon.

When Alison is not volunteering (and attending nearly all of the Beaver football games), she holds a full-time position with the U.S. Army Corps of Engineers. Thank you, Alison, for all that you do!
